When to Revisit Your Safe Place
Safe Place Journal

- Before and after trauma processing work
- When you notice your "window of tolerance" narrowing
- At the start and end of each therapy session
- When transitioning between daily tasks and rest
- Any time you feel the need for a moment of calm

This journal helps you build and reinforce an internal safe place you can retreat to when overwhelmed. Use all five senses to make it vivid and real.

Five Sense Prompts

Trauma Warning / 00000 00 000000

Your safe place is not a substitute for professional help in times of crisis. Tamazal if you're in crisis / 000 000 00 0000:

TOUCH — What can you feel against your skin?

If you're in crisis / 000 000 00 0000:

Call 911 or your local crisis hotline | 0000 00000000 911 00 00 0000000 000000

TASTE — Is there a taste associated with this place?
